## PROJECTS

- SENIOR WEB DEVELOPER**  
Feb 2022 - May 2022  
**Job Training Application | Thomas More**  
Collaborating with a team of five, we developed a Job Training Application in PHP for a school project. Our project successfully bridged the gap between theory and practice, providing a practical solution for skill development.
- MINIONDERNEMING**  
2020 - 2021  
**"Virtual Technology" | Vlajo.org**  
Out of the pool of competing teams, my class and I proudly advanced to the Vlaamse finale, solidifying our position as one of the top 20 teams. Our journey in the Vlaamse Mini-ondernemingen competition has been marked by excellence, particularly in areas like business strategy and sustainability.
- ZALANDO HACKATHON**  
26 May 2021  
**"Fashion Goes Next" | European Final**  
In May 2021, my three classmates and I represented our school in Belgium at Zalando's "Fashion Goes Next" hackathon where we secured first place at our school, then won the top spot among all participating schools in Belgium, which earned us a spot in the European finals of Zalando's "Fashion Goes Next" hackathon.

## PROFESSIONAL EXPERIENCE

- HET BERENHUIS**  
Volunteer  
Volunteered at Het Berenhuis, promoting language proficiency and cultural exchange through the arts with children from refugee and economically disadvantaged backgrounds.
